**Description**

In your first professional experience placement (PEP) you will apply the professional principles, and foundation knowledge and skills that you have been learning. In an 80 hour PEP you will have the opportunity to provide person centred care for people in aged care and community residential care settings underpinned by quality and safety standards. You will be supported and supervised by experienced practitioners and engage with a range of health professionals. You will critically self-appraise your practice and your facilitator will evaluate your performance using the NMBA Registered nurse standards for practice at an introductory level.

10. You will see a confirmation that the class has been added.

The screenshot shows the 'Confirmation' page in USC Central. At the top, a green banner states 'This class has been added to your timetable.' Below this, a green checkmark icon is next to the text 'NUR 117 - Nursing Practice 1' and 'This class has been added to your timetable.' A blue button with a circular arrow icon is labeled 'Return to Course Search Page'. On the left side, there is a sidebar menu with options: 'Enrol by My Requirements', 'Update Class times', and 'Drop Courses'.

11. Select **Return to Course Search Page** and repeat steps 4–9 to enrol in your other courses.

This screenshot is identical to the previous one, but the 'Return to Course Search Page' button is highlighted with a red rectangular border to draw attention to it.

12. Select **Program Progress** to view your completed and enrolled courses or return to the USC Central home page and select **Manage Enrolment > Update class times.**

The screenshot shows the 'Program Progress' page in USC Central. The page title is 'Program Progress' and it includes a timestamp: 'Report data generated on 10/08/2022 13:41:07'. Below the title, there is a link: 'This is your Program Structure. Click here for more information...'. The main content area displays progress for three categories:

Category	Status	Completed/In progress	Target
Bachelor of Nursing Science	Not Satisfied	6	288
Required 100 level introductory units	Not Satisfied	6	114
Required 200 level developing units	Not Satisfied	0	78

Each row includes a progress bar showing the current status relative to the target. The left sidebar contains a menu with 'Program Progress' and 'Program Progress Summary'.
