

Early Offer Guarantee

Principals' nomination form

The Early Offer Guarantee (EOG) enables year 12 students to be offered an early and guaranteed place at the University of the Sunshine Coast (UniSC) based on recommendation of the Principal. These offers are made between August and November, prior to the release of year 12 results, so students don't have to wait until the QTAC offer rounds in December and January.

It is a requirement of the scheme that the Principal's recommendation is based on their assessment of the student's motivation and ability to succeed at university. Please refer to the Recommended Assessment Process in the **Early Offer Guarantee Guidelines for Schools**.

If the Principal is NOT the person who will approve student applications, the Principal must authorise and nominate an alternative staff member to approve student applications. Please provide details of the nominated staff member who will be performing in this role.
