8.0 Privacy statement

The University of the Sunshine Coast (UniSC) is committed to protecting your privacy and handling your personal information in accordance with our legal obligations under the *Information Privacy Act 2009* (Qld) and other relevant laws. More information on our privacy practices is available on our website usc.edu.au/privacy. As part of assessing your suitability for our service, and in providing our service, we need to collect, use, and record your personal information. We are collecting your personal information, as listed on this form to enable UniSC to correspond with you in relation to your request and refer you to the UniSC Psychology Clinic.

To help provide you with the best possible care, we may share your personal information with other people and organisations involved in your care including other healthcare or support services, and students, who may be involved in your care. We will obtain your consent to disclose information you have provided to us to anyone outside of UniSC before we do this. If you do not provide your personal information as requested, UniSC may be unable to respond to or refer your request.
